SUMMARY

UI/UX Designer with 6 years of experience crafting user-centered designs for web and mobile products, from user research through high-fidelity prototypes.

SKILLS

Figma • Adobe XD • User Research • Wireframing • Design Systems • Usability Testing • Prototyping • HTML/CSS basics

EXPERIENCE

Product Designer, PixelForge Studios Inc.

Seattle, WA | Aug 2022 – Sep 2026

- Owned end-to-end design for the core web application, from research through high-fidelity prototypes.
- Facilitated usability testing sessions and translated findings into design iterations.
- Maintained and expanded the company's Figma design system.
- ★ Led the creation of a company-wide design system adopted across 5 product squads, cutting design handoff time by 50%.
- ★ Increased activation rate by 18% through a redesigned onboarding flow.

Junior UI Designer, Northwind Creative Agency

Seattle, WA | Jul 2020 – Jul 2022

- Designed marketing website layouts and assets for a variety of client accounts.
- Supported senior designers with wireframes and design QA.
- ★ Delivered 20+ client website redesigns with a 95% on-time delivery rate.

PROJECTS

Design System Overhaul

Led the creation of a company-wide design system in Figma, adopted across 5 product squads and reducing design handoff time by 50%.

Onboarding Flow Redesign

Redesigned the new-user onboarding flow based on usability testing insights, increasing activation rate by 18%.

Accessibility Audit

Conducted a full accessibility audit and remediation of the core web app, achieving WCAG 2.1 AA compliance.
